#### 2.0 Introduction

- 2.1 We are dedicated to offering our clients a helpful, supportive Building Control approved inspector service. If you feel that this has not been achieved we would be pleased to hear from you and will ensure you that we fully review and respond appropriately in each instance.
- 2.2 To ensure your complaint is dealt with quickly and appropriate please see below:

## 3.0 Technical Interpretation

3.1 If your complaint is about the technical interpretation of the Building Regulations these issues are be addressed to the Secretary of State for determination. We would be pleased to advise on how to proceed.

#### 4.0 Building Safety Regulator (BSR)

- 4.1 The following matters are dealt with by our governing body, The BSR:
- Failure to provide a service at the right time or to the standard expected of the service
- Failure to fulfil statutory responsibilities
- Failure to implement a decision
- Failure to comply with the Code of Conduct for Approved Inspectors
- Failure to comply with the Building Control Performance Standards
- Failure to follow the Approved Inspector's internal policies or procedures
- Failure to take proper account of relevant matters in coming to a decision
- Dissatisfaction with an answer to a query or a response to a request for a service
- Discourtesy or unacceptable behaviour by a member of staff or consultant
- Harassment, bias, or unfair discrimination

#### 4.2 In the above instances the following documents may assist:

- Operation standards rules and monitoring <a href="https://www.hse.gov.uk/building-safety/assets/docs/osr-monitoring-arrangements.pdf">https://www.hse.gov.uk/building-safety/assets/docs/osr-monitoring-arrangements.pdf</a>
- Professional conduct rules for registered building control approvers <u>Professional conduct rules for registered</u> <u>building control approvers (hse.gov.uk)</u>
- The code of conduct <a href="https://www.cicair.org.uk/wp-content/uploads/2020/02/02CICAIR\_CodeofConduct\_01.01.2017.pdf">https://www.cicair.org.uk/wp-content/uploads/2020/02/02CICAIR\_CodeofConduct\_01.01.2017.pdf</a>

## Please note the following matters are not considered complaints by the BSR:

- A Building Regulation technical assessment
- Misunderstanding or dissatisfaction with the minimum standard set by the Building Regulations
- A decision of an Approved Inspector where regulatory powers are being exercised
- Unsubstantiated criticisms of the scope or context of the Approved Inspector service
- Criticisms of quality of workmanship (outside Building Regulation requirements for materials and workmanship) or building warranty items
- Criticisms which constitute a disagreement with, or a refusal to accept, a rule of law which the Approved Inspector is applying
- Complaints and/or claims made against the Warranty where the building control complaints process has not been exercised
- Criticism of decisions made by the planning authority

Please note in all instances, it is not the role of Building Control to manage your builder or your architect on your behalf. Building Control does not provide a quality management service. The building owner in all instances is required too, and is responsible for inviting us to carry out all inspections and ensuring work is not covered before approval. If work has been covered and we have not be requested to visit, these works are done so at risk.
